

**Keith A. Eddleman, M.D., FACOG**

Dr. Eddleman is the Director of the Division of Maternal Fetal Medicine at Mount Sinai Medical Center. He is Board Certified in Obstetrics/Gynecology, Maternal Fetal Medicine and Genetics. Dr. Eddleman is currently an Associate Professor of OB/GYN & Reproductive Science at Mount Sinai School of Medicine. He completed his residency at George Washington University Medical Center and fellowships at Mount Sinai Medical Center and the New York Hospital-Cornell Medical Center. Dr. Eddleman lectures nationally and internationally and extensively publishes peer-reviewed articles and textbook chapters. He is the co-author, with Dr. Joanne Stone, another member of our staff, of the well-known guidebook, *Pregnancy for Dummies*. Dr. Eddleman provides expertise in our group in obstetrical ultrasound, multiple gestation, selective reduction prenatal consultation, genetic counseling, chorionic villus sampling, amniocentesis and first trimester prenatal screening and diagnosis as part of the Faster Trial.

**Joanne A. Stone, M.D., FACOG**

Dr. Stone is the Director of Perinatal Ultrasound in the Division of Maternal Fetal Medicine at Mount Sinai Medical Center. She is Board Certified in Obstetrics/Gynecology and Maternal Fetal Medicine. Currently, she is an Associate Professor in the Division of Maternal Fetal Medicine at Mount Sinai Medical Center. She completed her residency at both Long Island Jewish Medical Center and Mount Sinai Medical Center and her fellowship at Mount Sinai Medical Center. Dr. Stone, who lectures nationally and internationally, is the co-author with Dr. Eddleman of the well-known guidebook, *Pregnancy for Dummies*. She has published many chapter textbooks and peer-reviewed articles. Dr. Stone provides expertise for our group in obstetrical ultrasound, multiple gestation, selective reduction, prenatal consultation, chorionic villus sampling, amniocentesis and first trimester prenatal screening and diagnosis as part of the Faster Trial.

**Sreedhar Gaddipati, M.D., FACOG**

Dr. Gaddipati is Board Certified in Obstetrics/Gynecology and Maternal Fetal Medicine and is currently Director of Labor and Delivery at Mount Sinai Medical Center where he is an Assistant Professor in the Division of Maternal Fetal Medicine. He completed his residency at the Detroit Medical Center/Wayne State University and a fellowship at the Mount Sinai Medical Center. Dr. Gaddipati lectures nationally and has published peer-reviewed articles. In our practice Dr. Gaddipati provides expertise in obstetrical ultrasound, multiple gestation, selective reduction, prenatal consultation with a specialty in infectious diseases, chorionic villus sampling, amniocentesis and first trimester prenatal screening and diagnosis as part of the Faster Trial.

**Joy D. Steinfeld, M.D., FACOG**

Dr. Steinfeld is Board Certified in Obstetrics/Gynecology and Maternal Fetal Medicine and is currently an Assistant Professor in the Division of Maternal Fetal Medicine at Mount Sinai Medical Center. She completed her residency at the State University of New York at Buffalo and a fellowship at the Hospital of the University of Pennsylvania. She is a former Adjunct Professor of Maternal Fetal Medicine for Dartmouth Medical School and an Assistant Professor of Maternal Fetal Medicine at the University of Connecticut, Heinemann University School of Medicine, University of Medicine and Dentistry of New Jersey, and the Long Island Jewish Medical Center/North Shore Health System. Dr. Steinfeld lectures, is extensively published, and is herself a reviewer for *Obstetrics and Gynecology* and *the American Journal of Obstetrics and Gynecology*. In our group Dr. Steinfeld provides expertise in obstetrical ultrasound, multiple gestation, selective reduction, prenatal consultation, chorionic villus sampling, amniocentesis and first trimester prenatal screening and diagnosis as part of the Faster Trial.

**Donna J. Better, M.D., FACC**

Dr. Better is Board Certified in Pediatrics and Pediatric Cardiology. She received her medical training at Albert Einstein College of Medicine and her post-doctoral clinical fellowship in pediatric cardiology at Columbia University College of Physicians and Surgeons. Dr. Better is currently the Assistant Director of Pediatric Cardiology and the Director of Perinatal Cardiology at Winthrop University Hospital. She is also an instructor in Clinical Pediatrics at Columbia University. She is a protégé of Dr. Lindsey Allan, an associate in this practice. Dr. Better provides expertise in fetal echocardiography.

**Teresa Dunn, Ph.D., ABMG**

Dr. Dunn is Board Certified in Human Genetics and Clinical Cytogenetics, ABMG. She is President and Clinical Director of Cytogen X Corporation. Dr. Dunn was Co-Director of Clinical Cytogenetics at the Mount Sinai Medical Center and received her Ph.D in Molecular Biology and Biochemistry at the State University of New York at Stony Brook. Dr. Dunn was a Post-Doctoral Associate at SUNY Stony Brook, Division of Medical Oncology. She provides expertise in Molecular DNA Diagnostics, Molecular Cytogenetics (FISH, M-FISH, R-FISH etc.) and Cytogenetics for pre-and postnatal diagnosis including amniocentesis, chorionic villus sampling, and other tests. She also provides genetic counseling for genetic cancer susceptibility testing for BRAC 1 & 2 Analysis and Colaris Analysis (cancer DNA analysis of the breast, ovaries, endometrium, colon, prostate, melanoma, etc.).

**Keith Rawlinson, M.D., FACOG, FRCS. ©, FACS, FRCOG**

Dr. Rawlinson is Board Certified on Obstetrics and Gynecology and in the sub-specialty of Maternal Fetal Medicine. He was formerly Chief, Division of Maternal Fetal Medicine at North Shore University Hospital, Cornell University Medical College, Harlem Hospital Center, and College of Physicians and Surgeons at Columbia University. As Associate Medical Director of Great Neck Women's Medical Care, Dr. Rawlinson provides expertise in Perinatal Consultation, Antepartum Testing, and Obstetrical/Gynecological Ultrasound. Dr. Rawlinson continues to provide our practice with per diem coverage since he has moved to the Lehigh Valley Physician Group/Lehigh Valley Hospital in Pennsylvania.

**Lindsey D. Allan, M.D., F.R.C.P.**

Dr. Allan is Professor of Pediatrics and Attending Physician at Presbyterian Hospital College of Physicians of Columbia University. She was Professor of Fetal Cardiology, UMDS, University of London and a Fellow in Medical Genetics at the Hospital for Sick Children, Glasgow, Scotland. She is a member of the Royal College of Physicians and numerous medical societies. Dr. Allan is Chairwoman of Fetal Cardiology Working Party AEPC (Association of European Paediatric Cardiologists). She lectures and runs fetal echocardiology courses internationally. Dr. Allan, who has published over 79 original, peer-reviewed articles, mainly on fetal cardiology, is most well known for her publications that include *Manual of Fetal Echocardiology*, *Atlas of Fetal Cardiology*, and *Fetal Heart Scanning* (a videotape). She is an editor for *Pediatric Cardiology*, *Prenatal Diagnosis*, *Ultrasound in Obstetrics and Gynecology* and *Fetal Therapy*. Dr. Allan is Director Emeritus of Fetal Echocardiology at Great Neck Women's Medical Care.
