

## **SREEDHAR GADDIPATI**

**Licensure:** State of New York  
License # 203321  
Effective 6/27/96 – 4/30/02

State of New Jersey  
License # MA68073  
Effective 9/11/98 – 6/30/01

State of Michigan  
License # 4301059868  
Effective 7/1/92 – 1/31/02

**Honors:** Wayne State University  
Excellence in Teaching Award, 1993 – 1994  
Outstanding Academic Achievement Award, 1993 – 1994

Mount Sinai Medical Center  
Fellow Physician of the Year, 1997  
Physician of the Year, Maternal-Child Care Unit, 1997

**Professional Societies:** American College of Obstetrics and Gynecology, 1992 to present  
Society of Maternal Fetal Medicine, 1996 to present

**Grants:** HIV Early Identification and Intervention Services  
Co-Principal Investigator, 1998 – present

Elizabeth Glaser Pediatric AIDS Foundation Emergency Assistance  
Program  
Co-Principal Investigator, 1999

Northern Manhattan HIV Consortium  
Site Co-Principal Investigator, 1998 - present

### **Publications:**

#### **Peer Review Reports**

Wasserstein MP, Gaddipati S, Snyderman SE, Eddleman K, Desnick RJ, Sansaricq C. Successful Pregnancy in Severe Methylmalonic Acidaemia. J. Inher. Metab. Dis 1999; 22:788-94

## SREEDHAR GADDIPATI

### Publications:

#### Peer Review Reports (continued)

Chen A, Gaddipati S, Hong Y, Volkman DJ, Peerschke EIB, Ghebrehwet B. Human T Cells Express Specific Binding Sites for C1q: Role in T Cell Activation and Proliferation. *J. Immunol* 1994;153:1430-40

#### Submitted for Publication

Lembet A, Saphier CJ, Gaddipati S, Devino C, Berkowitz RL. Postsplenectomy Splenic Artery Aneurysm Rupture in an Atypical Presentation of Preeclampsia.

#### Abstracts

Johnson MP, Gaddipati S, Qureshi F, Feldman B, Kasperski S, King M, Evans MI. Fetal Urinary Albumin: A Marker of Renal Dysplasia in Lower Urinary Tract Obstruction (LUTO). Presented at the Society for Maternal-Fetal Medicine, February 1 – 5, 2000 (abstract/poster)

Lembet A, Gaddipati S, Gordon R, Selam B, Berkowitz RL, Salafia CM. Meconium Induced Vascular Smooth Muscle Necrosis: Timing and Ultrastructure in an *In Vitro* Model. Presented at the Society for Maternal-Fetal Medicine, February 1 – 5, 2000 (abstract/poster)

Wasserstein MP, Gaddipati S, Snyderman SE, Eddleman K, Desnick RJ, Sansaricq C. Successful Pregnancy in Severe Methylmalonic Acidaemia. Presented at the Society for Inherited Metabolic Diseases, March 18, 1998 (abstract/poster)

Gaddipati S, Lembet A, Salafia CM, Holzman IR, Berkowitz RL, Bottone E. Meconium Enhances the Growth of Perinatal Pathogens Known to Cause Intraamniotic Infection. Presented at the Society for Gynecologic Investigation, March 11 – 14, 1998 (abstract/poster)

Lembet A, Gallousis F, Gaddipati S, Parsons R, Berkowitz RL. Prenatal Diagnosis of Dandy Walker Variant: The Value of the Fetal MRI Examination and its Correlation with Ultrasound. Presented at the World Congress on Ultrasound in Obstetrics and Gynecology, January, 1998 (oral presentation)
